savingincase Medical condition you say. I would give anything to trade places with her regarding medical conditions. I can't even imagine what it would be like to have hair loss being the only thing wrong with me. Try on for size Melanoma, A rare form of multiple sclerosis called Balos concentric sclerosis, transverse myelitis and all of the mental ailments you can imagine from having all of that slammed on me in the course of two years. Now imagine your wife has all of that. If somebody made a joke about that, then they would deserve to be slapped or punched.

artanuniverse Will will be back in time, better and stronger and funnier and more honest and more confident and loud as usual and I can't wait... there's a Salvatore Dali quote that says "Have no fear of perfection, you will never reach it" we are all imperfect humans and that's okay.
