

ABSTRACT

Allah SWT created humans differently from other creatures because they were given advantages in the form of reason and character. To avoid promiscuity, Allah SWT provided a legal path according law that we all know, namely marriage. Living in pairs is the instinct of all creatures created by Allah SWT especially human who are given reason and thought. Human as social creatures want to socialize with one another, want to make friends and love each other.

Marriage is an inner bond between a man and woman as husband and wife with the aim of forming a happy and eternal family (household) based on the one and only God. According to the Islamic view, the purpose of marriage is to fulfill religious commands, in order to establish a harmonious, prosperous and happy household.
