ABSTRACT

Name: Agung Sanjaya, NPM: 71200211060, Title: GETTING USED TO DHUHA PRAYERS IN CONGREGATIONS TO FORM STUDENT CHARACTER AT MAS PLUS AL ULUM

The practice of Duha prayer is carried out so that students get used to doing it, then they will become addicted to it and become a tradition that is difficult to leave behind in their lives, so that students have a religious, disciplined and democratic character. Based on the author's observations at MAS Plus Al-Ulum that the dhuha prayer in congregation at school is implemented by the school, based on the results of the author's interview with the aqidah akhlak teacher that the implementation of the dhuha prayer together at school aims to increase the practice of religion as well as develop the religious character of students as students from a religious background. religious education

The problem of this research is how to get students used to performing Dhuha prayers in congregation at MAS Plus Al-Ulum. Can dhuha prayer in congregation improve the religious character of students at MAS Plus Al Ulum? What are the supporting and inhibiting factors for carrying out congregational Dhuha prayers at MAS Plus Al-Ulum. This research method is a qualitative method using informants through interviews.

The results of this research show how to get students used to performing dhuha prayers in congregation at MAS Plus Al-Ulum is by making dhuha prayers in congregation as a rule that students must follow every morning. Dhuha prayers in congregation can improve the religious character of students at MAS Plus Al Ulum. Increasing religious character can be seen from increasing study discipline and increasing compliance with school regulations as well as increasing learning activities and improving student morals. Supporting factors for the implementation of congregational dhuha prayers at MAS Plus Al-Ulum are the existence of good cooperation in its implementation between the heads and teachers as well as the availability of congregational dhuha prayer facilities. Meanwhile, the inhibiting factor is that there are still students who arrive late and some who still do not bring prayer equipment
